

Highway 101 IMPROVEMENTS

(Pioneer Trail to
Flying Cloud Drive)

February 28, 2020

Construction Update

Project construction is scheduled to begin next week (week of March 2nd). The initial construction activities will include tree clearing and earthwork operations. Highway 101 will remain open between Flying Cloud Drive and Pioneer Trail during this phase of the project. Some temporary impacts to traffic could occur due to truck hauling in the area. Project updates will be provided on a bi-weekly basis during construction.

MORE INFORMATION ON THE PROJECT CAN BE FOUND HERE:
