

The following is a summary of the current status of the project construction and the activities that will be occurring over the next few weeks.

Construction Status

- **Highway 101 is closed to traffic from Highway 61 to Lakota Lane.** Please follow the signed detour route.
- Existing Highway 101 pavement has been removed.
- Excavation and grading activities are occurring along Highway 101.
- The box culvert north of the Highway 61 roundabout is under construction.
- Private utilities (gas, electric, etc.) are relocating their facilities.

Planned Construction Activities

- Excavation and grading activities will continue along Highway 101.
- Box culvert installation will be completed north of the Highway 61 roundabout.
- Sanitary sewer and water main construction will occur north of the Highway 61 roundabout.
- Private utility relocations will continue.
- **Highway 101 will remain closed to traffic from Highway 61 to Lakota Lane.**

Please note that this is a very active construction site that is closed to the public, including pedestrians and bicyclists that are using the Minnesota River Bluffs Regional Trail. Please abide by all warning signage concerning trail closures and detours.
