

The following is a summary of the current status of the project construction and the activities that will be occurring over the next few weeks.

Current Construction Status (Phase 2A)

- Highway 101 is closed to traffic from Creekwood Drive to The Mustard Seed. Access to The Mustard Seed is from the north. Access to Bluff Creek Golf Course is from the south. Please follow the signed detour route around this area.
- Grading crews are preparing the roadway for paving. Paving will occur this week.
- Phase 2A will be open to traffic at the end of this week.

Planned Construction Activities

- The traffic control will switch on Friday in preparation for Phase 2B construction.
- Access to all properties along the project corridor will occur from the south via Highway 61 during this construction phase. Please follow the signed detour route around this area.
- Removals will begin on Phase 2B in early August.
